Erratum to: Feasibility and usefulness of ultrasonography in idiopathic intracranial hypertension or secondary intracranial hypertension

Piergiorgio Lochner^{1,2}, Francesco Brigo³, Maria Luisa Zedde⁴, Sandro Sanguigni⁵, Lorenzo Coppo², Raffaele Nardone⁶, Andrea Naldi², Daniele Sola⁷ and Erwin Stolz^{8*}

Erratum

After publication of the original article [1], it came to the authors' attention that there were errors in the author list and the affiliations. Francesco Brigo's surname had been spelled incorrectly, and the department of his affiliation (University of Verona) had been incorrectly specified. These errors have been corrected in the original article.

Author details
